Introduction

MEPHISTO'S

S u b l i m i n a l S e d u c t i o n

SUBLIMINAL STIMULI is defined as an event occurring Below the Threshold Of Consciousness, But Perceived And Registered In The Subconscious Mind. It is a scientifically established fact that **SUBLIMINAL STIMULI** change a person's behavior.

**SUBLIMINAL MOTIVATION IS A TECHNOLOGY
THAT SECRETLY
AND INVISIBLY CHANGES HUMAN BEHAVIOR**

Scores of experiments with subliminal motivation have proven it to be effective and new uses are constantly being found. In the case of the Mephisto Subliminal Tape/CD, the music heard by the conscious mind **COVERS** and **HIDES** the subliminal commands directed at the man.

**CELEBRATING OUR 21th YEAR
PRODUCING the MOST TECHNICALLY
ADVANCED SUBLIMINAL PROGRAMS !**

MEPHISTO SUBLIMINAL PRODUCTS are recognized Worldwide for their unsurpassed effectiveness in building, and strengthening personal relationships. Now with over 100 Specific Subliminal Scripts, and over 350 Musical, and Nature Cover Selections to choose from.

SCIENTIFIC PROOF

There is abundant scientific evidence that **DEMONSTRATES** the subconscious mind perceives **SIGHTS** and **SOUNDS** that are neither seen nor **HEARD** by the conscious mind. Several national magazines have featured articles on the baffling power of subliminal motivation: Time, The Wall Street Journal, Science Digest, Omni and many others.

The best known experiment with subliminal suggestion was conducted in the New Jersey movie theater. Simple Subliminal messages were **Flashed** during the movie, "Picnic" merely saying "Eat pop corn; drink cola." The dramatic rise in the sale of those two items added to the accumulating evidence that demonstrates the uncanny power of subliminal stimuli to influence the actions and behavior of people.

Thus, subliminal stimuli are eventually acted upon and do influence behavior **EVEN WHERE IT CONTRADICTS THE CONSCIOUS DESIRES OF THE EXPOSED PERSON!** But, consider also, the possibility that many of the men who have resisted your advances have **ACTUALLY DESIRED YOU**, but their **CONSCIOUS MIND** overrode that desire by virtue of the vast collection of "hang ups", and the "fear of rejection" that men are prey to.

MEPHISTO'S

Seductive Female SUBLIMINAL PRODUCTS

Found: THE GENETIC CODE THOSE COMPELS MEN TO CHOOSE ONLY ONE WOMAN: THAT IS HOW THIS NEW SUBLIMINAL SCRIPT "MAKES HIM CHOSE YOU!"

Millions of years ago the evolutionary process devised a system that produced the strongest and most fit infants. By seeking "**THE Seductive Female**" to mate with, males were assured that their infant would bear all the traits of that Seductive Female: good health, strength bravery, speed and intelligence. This instinct to seek **THE Seductive Female** is "Hard Wired" into **ALL MALES**; they are literally programmed by nature to peruse relentlessly, the **MOST SEDUCTIVE FEMALE!**

HE WON'T KNOW WHY HE CANT STOP THINKING ABOUT YOU.

HE WON'T KNOW WHY HE GETS "AROUSSED" THINKING ABOUT YOU!

MEPHISTO IS THE FIRST SUBLIMINAL PROGRAM CAPABLE OF FOCUSING A MAN'S ATTENTION ON ONLY ONE WOMAN!

MEPHISTO IS THE ONLY SUBLIMINAL SEDUCTION TAPE/CD IN WORLD THAT HAS MESSAGES HIDDEN UNDER MUSIC THAT USE THE LAWS OF NATURE TO AROUSE HIM AND FOCUS HIS PASSION ON YOU, (AND ONLY YOU)! THIS TAPE/CD GIVES YOU AN INVINCIBLE ADVANTAGE OVER OTHER WOMEN!

P O S T - H Y P N O T I C S U G G E S T I O N S

Everyone has seen or heard of the strange behavior of people in a hypnotic trance. Sex, of course, is not strange, but a natural instinct that is one of the most powerful drives of higher life forms and thus: **MEN DO CRAVE LOVE**, but succeed in **REPRESSING THE DESIRE**. They resist love for several reasons, but the most pronounced is sociocultural.

To be brief: they repress their desires because they have been lectured by other men since childhood to regard women as sex objects, not someone to bond with.

One of the objects of these tapes/cd's is to set sex in a proper perspective where it might flourish in his mind as a source of joy rather than guilt. Subliminal motivation, although similar to hypnosis and capable of the same effect, is vastly more practical due to its secretive application.

Subliminal messages are compared to **POST HYPNOTIC SUGGESTIONS** in which the response is delayed to a future time, believed to be due to the individual's level of suggestibility and the time required for the person to accept the ideas they hear as their own. One thing is certain: when they hear this tape/cd, those messages about you and the ideas of bonding will positively become random thoughts in his mind:

**THIS GIVES YOU A POWER TO INFLUENCE HIM
THAT HAS NEVER EXISTED BEFORE !**

SO POWERFUL IT STOPS THIEVES!

Some department stores, using a subliminal tape with a silent message concealed beneath background music and broadcast through loud speakers urging shoppers to be honest and resist stealing, has reduced shoplifting and employee theft dramatically! This, despite large noisy crowds bent on shopping and oblivious to the background music! In some controlled studies, one of the most vexing problems in business, employee theft has been practically eliminated. [NOV. 8, 95 DAN RATHER-CBS NEWS REPORTED ON SUBLIMINAL EFFECTIVENESS]

But as to the length of time an individual requires to react to subliminal suggestions, you must be aware that it varies according to the individual. Upon hearing as little as 30 minutes of any of our relationship scripts, your image as the Seductive Female will have been imprinted in his subconscious mind with instructions to desire you!

S C I E N T I F I C P R O O F

The Scientist, Dr. O. Poetzle, an associate of Freud, was the first to demonstrate the similarity between post-hypnotic suggestion and subliminal stimuli in changing Human Behavior.

THE POETZLE EFFECT

The "Poetzle Effect" is described as a time delay reaction; the doctor called it a **"TIME CLOCK"** phenomenon, in which subliminal perceptions might **TAKE WEEKS, EVEN MONTHS** to surface in actions (in this instance: **(A TICKING TIME BOMB OF PASSION). BE PATIENT**; He Has Heard The Message; He will react In Time!

The Mephisto tape/cd goes further than gaining the man's interest in you. The major aim is to provide both of you with the maximum of pleasure.

A necessity for female enjoyment is the passionate response of her partner. It is **NOT ENOUGH** for him to merely submit. No single factor is more disturbing to a female than an unenthusiastic partner. These subliminal messages implant in his mind the desire to make love to you more passionately, to **PLEASE YOU!**

By assembling the proper psychological framework, the Mephisto tape/cd plants the urge in male listeners to abandon them selves to **WILD PASSION!** Some will not, but the idea nevertheless will have taken root and will bear fruit later.

**SUBLIMINAL STIMULI HAVE BEEN DEMONSTRATED
TO AROUSE AND
ACTIVATE AUTONOMIC BODILY FUNCTIONS, SUCH AS
SEXUAL AROUSAL!**

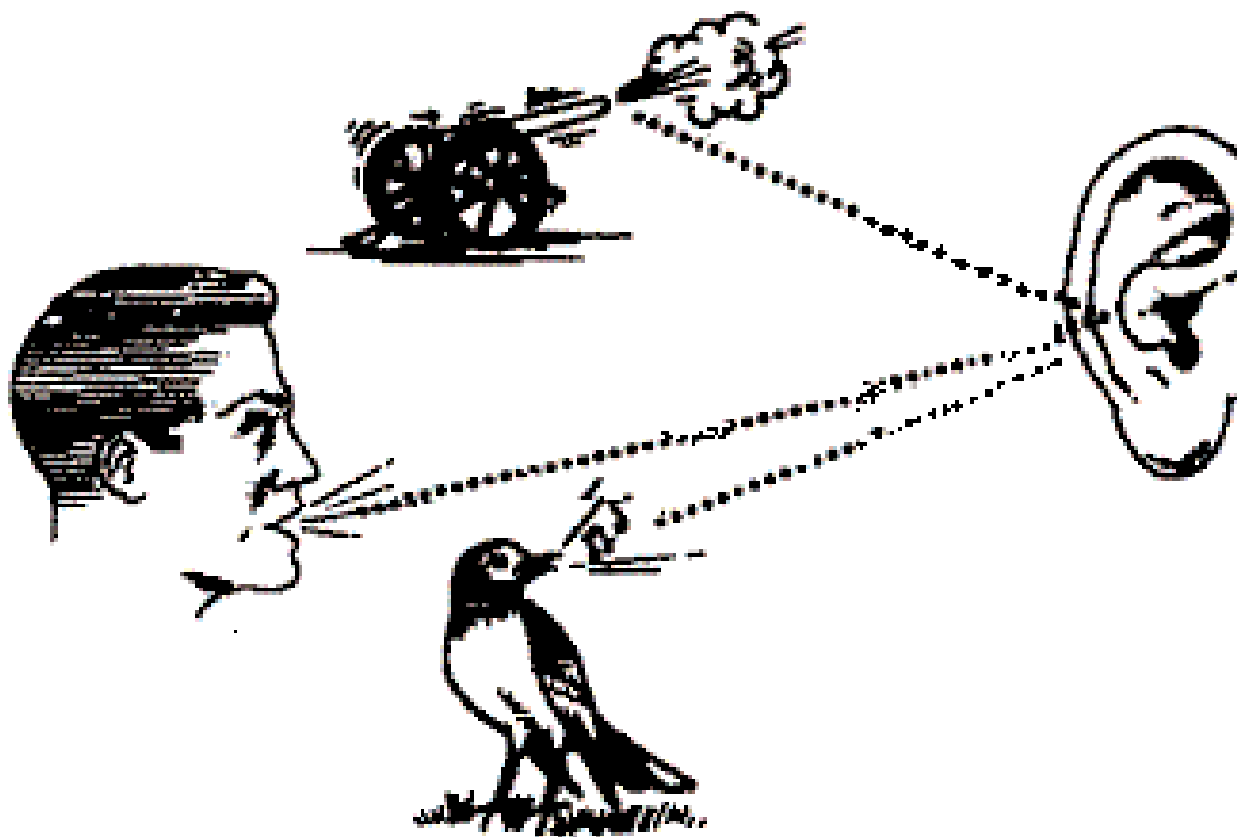

THERE ARE ONLY TWO WAYS TO GAIN ACCESS TO HIS SUBCONSCIOUS MIND: HYPNOTISM OR SUBLIMINAL MESSAGES. BUT THE SUBLIMINAL TECHNOLOGY THAT CONCEALS SUBLIMINAL MESSAGES UNDER MUSIC OR SOUND EFFECTS IS THE EASIEST WAY, AND IT'S YOUR KEY TO A BUSY LOVE LIFE!

HOW IT WORKS

(physically)

All mechanical vibrations cause sound waves that travel at 1000 feet per second.

YOUR CONSCIOUS MIND HEARS ONLY THE LOUDEST SOUND (the cannon). YOUR SUBCONSCIOUS MIND HEARS ALL OF THE SOUNDS: THE PERSON SPEAKING, THE BIRD SINGING AND THE CANNON, BECAUSE YOUR SUBCONSCIOUS HEARS EVERYTHING!!

WHY IT WORKS

(psychologically)

Because the subconscious mind **BELIEVES EVERYTHING** it hears, and **OBEYS** all commands it **BEHAVES** as directed and **SAYS "YES"** to all requests. The conscious mind must stand guard like a sentry. It censors, evaluates, edits, says **"NO"** or puts a stamp of approval on a limited amount of information allowed to reach the subconscious

Hypnotist put the conscious mind into a trance to gain access to the subconscious. Once the hypnotist by passes the conscious mind and gains control of the subconscious mind, people will perform bizarre acts. Told that they are a rooster, a hypnotized person will crow, told they are a dog they will bark; **TOLD THEY LOVE A STRANGER, THEY WILL BELIEVE AND RESPOND WITH PASSION!**

Subliminal messages (**voices hidden under music**) evade the conscious mind and gain access to the subconscious. The erotic suggestions are obeyed, because **HE WILL** Believe that **THE PASSION ORIGINATES IN HIS CONSCIOUS MIND, AND THAT IT IS HIS OWN IDEA TO WANT YOU** (and only you)!

THE MEPHISTO SUBLIMINAL SCRIPTS

The following **SUBLIMINAL SCRIPTS** are designed for the Woman who wishes to seduce or change negative behavior patterns in men. When using the following scripts it is important that you are the only woman present, since they refer to you as “this woman, the woman you are with, she, her, etc...”

If it is not possible for you to be alone with him while these scripts are being played, we also design Customized Subliminal scripts that use Your Name, as well as His. These Custom Scripts Will Be Discussed Later in This Brochure.

Seduction

SCRIPT CODE - “Z”

This script has been our most popular for the last 20 Years. It is designed to be played to men that you have just met, or on first dates. It contains messages that focus a mans attention on you by creating a curiosity in his mind about you.

This curiosity leads to a desire in him to find out more about your virtues, everything from your personal interests, to his fantasizing about what type of lover you might be. It helps him focus on all of your good qualities.

H O U R O F L O V E

(INTENSIFIED SEX!!)

SCRIPT CODE - "HL"

**MEPHISTO'S SUBLIMINAL COMMANDS
MAGNIFY THE SENSATIONS OF SEX BEYOND THE
ORDINARY LIMITS OF P L E A S U R E ! !
GRATIFICATION as you've never experienced
because you are programmed to heights of
EXTREME PHYSICAL SENSITIVITY! REMEMBER:
ALL PLEASURE IS REGISTERED IN THE MIND!**

This Mephisto tape/cd is designed to release the animal that is in each of us. Is there anything more beautiful than a man in the explosive throes of passion, thrashing and wiggling in mad sexual frenzy wanting all and holding back nothing??

The Mephisto L'Heure tape/cd is designed to be played during lovemaking. The **NEW MEPHISTO** tape/cd takes up the theme of passion (initiated in the seduction script) and intensifies the desire, heightening it with **SUBLIMINAL** commands to both of you to **PHYSICALLY FEEL** the exquisite pleasure of each other's body and to revel in **CONVULSIVE ORGASMS!!**

The subliminal commands directed at the genitals of **BOTH PARTIES** to become more keenly sensitive is equivalent to turning up the volume on your stereo where you may hear notes and nuances never heard before, and you may Feel Sensations You have Never Felt Before!

Buried under the music are erotic subliminal commands demanding surrender to your animal instincts, to erase inhibitions, to put civilization aside and embrace each other in primitive passion. You are both urged to **LET** yourself **GO** and **EXPERIMENT** with your **FANTASIES!!!**

He is commanded to **CONCENTRATE** on **INTENSIFYING THE FEELINGS** that announces his coming orgasm. Just as a hypnotist could convince you that an ice cube you were holding was a burning charcoal, the **SUBLIMINAL** commands can make you **FEEL A SEXUAL INTENSITY** beyond your imagination that will startle both of you and **TINGLE** in your memories for you to savor.

REVIVE THE ROMANCE

(Is the Spark Gone?)

SCRIPT CODE - "RTR"

Emotionally, a person needs romance as much as water, food, or air. Without tenderness, sensitively and a display of loving concern, a person will wither into unhappy despair. They may not even understand the source of their depression, or lack of zest for life.

The "RTR" Script lays out a blueprint that leads a man step by step into a more romantic relationship, with a strong, focus on falling in love with you, all over again.

STOP THE LIES

(Breaks His Habit of Habitual Lying)

SCRIPT CODE - "STL"

This script addresses the main reasons a man would lie to his mate such as, fear of his weaknesses being discovered, or to protect himself from punishment.

Many men begin their habitual lying during boyhood by lying to their mothers to avoid punishment. which carries over into manhood. He Simply substitutes you with his mother and continues the habitual lies. The "STL" Script breaks this **BAD HABIT!** After listening to this script, he will be compelled to tell *you* nothing but the truth.

STOP THE CHEATER

(Promotes A Monogamous Relationship)

SCRIPT CODE - "STC"

This Subliminal script begins with a heavy emphasis on the DANGERS of having multiple partners. We actually SCARE HIM into regarding flirts from other women as an indicator that these women have had sex with many different men, and therefore are surely disease carriers.

We also implant ideas that you are the only "safe" woman to peruse a relationship with, and that a relationship with any other woman would result in his demise.

BONDING THE RELATIONSHIP

(Take Your Relationship to the Next Level)

SCRIPT CODE - "BTR"

This SUBLIMINAL SCRIPT transforms a CASUAL relationship into a LOVING and totally BONDED RELATIONSHIP, by removing all doubts, and concerns that he may have about taking his relationship with you to the *HIGHEST LEVEL POSSIBLE!*

The "BTR" is HIGHLY EFFECTIVE when "CUSTOMIZED" using the man's first name!

FEAR OF COMMITMENT

(Erases Doubt in His Mind)

SCRIPT CODE - "FC"

This Script is designed to build his confidence allowing him to sustain a meaningful relationship, and eliminates the fear of failure often associated with making a commitment.

The Subliminal Messages contained in the "FC" SCRIPT also assure him of the heart-felt love and COMMITMENT you feel for him.

TALK TO ME

(Develops Deep Communication Between Partners)

SCRIPT CODE - "TM"

"What's wrong?" "What's bothering you?" Too often these are questions that don't get answered. The greatest stress on a relationship is the breakdown of communication. The stress usually turns into hostility and recriminations. Unless communications are revived a separation becomes inevitable, or the couple descends into a silent and unhappy desperation. The "TM" SCRIPT spurs a desire to "TALK", "EXPLAIN", and the urge to be "REASONABLE AND UNDERSTANDING".

**THE
CHIEF
MALE SEX
ORGAN**

REIGNITE SEXUAL PASSION

(SEX Starts in His Mind)

SCRIPT CODE - "RSP"

**NOTHING SIGNALS THE
DEMISE OF A
RELATIONSHIP MORE
THAN THE LOSS OF A
MAN'S SEXUAL
APPETITE FOR YOU!**

To reignite the sexual passion in your man, this script combines seven subliminal triggers that he will come in contact with throughout the day such as seeing a green light, hearing a telephone ring, taking a shower, etc... These triggering- events set into motion Sexual Fantasies about You. Through out his day, he will have constant daydreams about making love to you. This unrelenting anticipation will build until he is able to release his passion on YOU.

SAVE THE RELATIONSHIP

(Eliminate Negative Insecurities)

SCRIPT CODE - "STR"

SAVE THE RELATIONSHIP is extremely effective. Unique messages remove **DOUBT** in his mind, renew **TRUST, PASSION, TOLERANCE** and **FORGIVENESS!** And the **BEST** defense against **INFIDELITY** is his **BELIEF**: that you are **HIS SEDUCTIVE FEMALE**.

The subliminal messages persuade (HIM) that it would be a serious mistake to abandon this relationship. Persuade (HIM) that you are the best mate he could ever find, and that he will be disappointed with any other woman. Implant the idea that you are faithful and will never deceive or desert him. Fix in his mind that **YOU** are the most important thing in the world to him and only by maintaining this relationship, will he be happy and content. Make it become his own idea to listen to his heart (AND THIS TAPE or CD) and **IGNORE ALL OUTSIDE INFLUENCES** that might damage this "BEST OF ALL RELATIONSHIPS".

STOP THE ANGER

(Redirects a Mans' Anger in the Right Direction)

SCRIPT CODE - "STA"

Outbursts of anger, either verbal or **PHYSICAL** are a learned experience most likely from childhood. If a man is already exhibiting these outbursts the only true help is for him to begin therapy with a trained professional. This script convinces him to seek out this vital therapy, and to finally realize that he can let this bad part of his childhood finally go away.

FAMILY HARMONY

(Promotes Teamwork and Loyalty)

SCRIPT CODE - "FL"

Soothing music covers subliminal commands designed to put a family in harmony with each other. Promotes love, respect and affection between parents and instills good manners and scholastic ambition in children. Uses aversion inputs against alcohol and drugs. Builds a desire for nutritious food and a desire for good health. A happy household could be just small changes of attitudes in family members. A SENSE OF HAPPINESS TRANSFORMS YOUR LIFE; ACCOMPLISHMENTS COME NATURALLY.

REVEAL FANTASIES

(He'll Share His Deepest Sexual Thoughts Without Guilt or Shame)

SCRIPT CODE - "RH"

In promoting the concept that all living beings are endowed with sexual passion This Subliminal Script lays the ground work for the acceptance that he too has sexual desires, and only adventurous and highly intelligent men reveal their sexual fantasies, and less intelligent men make fools of themselves by pretending they have no sexual urges! The main thrust of this subliminal script is to give the man listening to it an overwhelming desire to verbally tell you his deepest sexual fantasies. Eventually he will recognize that revealing his sexual fantasies will gain your respect and admiration.

ORAL SEX

(Transform Him Into A Great Lover)

SCRIPT CODE - "OS"

SUBLIMINAL MOTIVATION HAS REACHED A NEW LEVEL OF INDUCEMENT! This new development called the EMOTIONAL IMPACT is OVERWHELMING! The "LICKING IMPULSE" during sexual arousal is a natural instinct in humans and animals, and it is only the inhibitions of the human mind, caused by negative parental and social (PEER PRESSURE) programming that interfere with his natural impulse to eagerly perform oral sex on YOU!

Mephisto has developed this new TAPE and CD to erase the many inhibitions about ORAL SEX! This NEW METHOD goes beyond MERE SEXUAL AROUSAL and erases inhibitions and creates a desire for every form of oral sex with you. This Subliminal program contains a secret AROUSAL MESSAGE That is FOCUSED ON YOU and connects the satisfaction of his EMOTIONAL NEEDS to frequent ORAL SEX of every variety WITH YOU.

The subliminal messages are a drum beat of sexual arousal and suggestions that his life will be perfect once he gives you passionate ORAL SEX.

His objections to oral sex are strictly a result of society, and negative parental programming because ORAL SEX is as natural as intercourse and only the peer pressure of society influences men to regard oral sex as distasteful.

It depends on how strong his feelings are against oral sex as to how long these subliminal ideas will require to become his OWN DESIRE! The time element depends upon how much preaching from parent's etc. he has been exposed to, but regardless, these SUBLIMINAL messages are busy changing his attitude.

Like Post Hypnotic suggestions, the Subliminal messages will make him automatically think of performing ORAL SEX ON YOU, when he sees a green light, answers the phone, and takes a shower or bath. Remember he's being urged to do something that's perfectly natural; only society stands in the way, but this tape or CD is weakening society's hold on him every time he is exposed to it. It is a fact that a subliminally implanted memory makes the same impression on the brain as a real event.

That means:

Exposure to this Subliminal Script will create a VERY EROTIC MEMORY of GIVING YOU AMAZING ORAL SEX !"

That's an Incredible SEXUAL ADVANTAGE OVER OTHER MEN! BUT TO EAGERLY PERFORM ORAL SEX, HE NEEDS MASSIVE STIMULATION TO ERASE HANG UPS, and that is what this program is all about !

L O N G E V I T Y

(Promotes a Healthy Lifestyle in Men and Women)

SCRIPT CODE - "L"

Your attitudes and outlook affect your health negatively or positively and ultimately the length and quality of your life.

This program is designed to reverse attitudes that threaten your health, and to implant an expectation of living 120 years. That expectation will subconsciously provoke a more healthful behavior in you. That means, Better Diet, More Exercise, and the Elimination of Unhealthy Habits.

S T O P H I S S U B S T A N C E A B U S E

(Makes Him Admit and Change His Destructive Habits)

SCRIPT CODE - "SAC"

The Messages on this program are designed to make him admit to himself that he has a problem. His mind becomes a Rolodex of thoughts of all of the things that he will lose if he continues this most destructive of all habits.

STOP THAT DIVORCE

(Put the Idea: "It's a MISTAKE" in His Mind)

SCRIPT CODE - "STD"

STOP THAT DIVORCE is extremely effective in putting the brakes on separating from you. Unique messages create **DOUBT** in his mind. Renew **TRUST, PASSION, TOLERANCE** and **FORGIVENESS!**

The **BEST DEFENSE** against infidelity **IS HIS BELIEF**: you are **HIS Seductive Female**.

Persuade (him) that it would be a serious mistake to abandon the marriage.

Persuade (**HIM**) that you are the best mate she could ever find and that she will be disappointed with any other man. Impact the idea that you are his protector and that with you she is safe and secure. Implant the idea that you are faithful and will never deceive or desert him.

Fix in his mind that "**THE FAMILY** Is the most important thing in the world to him and only by maintaining the family will he be happy and content.

Make it become his own idea to listen to his heart (**AND THIS TAPE/CD**) and **IGNORE ALL OUTSIDE INFLUENCES** that might damage this "**BEST OF ALL RELATIONSHIP**".

Throughout this tape/cd he is reminded that he still loves and desires you and that he will only find happiness and contentment with you. He is also commanded to **FORGIVE AND FORGET** any misdeeds you may have committed with the assurance that he **DOES AND CAN TRUST YOU!**

FINALLY, he is compelled by the weight of **SUBLIMINAL IDEAS (IDEAS HE WILL BELIEVE ARE HIS OWN) TO SAVE THIS MARRIAGE.**

He will know the erotic ideas dominating him, thoughts are about you, because your first name and your full name will penetrate DEEP INTO HIS subconscious mind where all his sexual decisions are made. And now, a NEW FORCE to seduce him has been discovered by evolutionary psychologists.

EROTIC STIMULATION. Research done by a Southern University proved that Sexual Subliminal Material arouse men by activating their autonomic system causing EXTREME AROUSAL! Your Custom tape/cd names you as the cause of his arousal. This also becomes a memory and a SOURCE OF SEXUAL DREAMS and builds his SEXUAL TENSION.

To achieve maximum stimulation, Your script is embedded with the sounds of a couple making passionate love, with an emphasis on the sounds of a female experiencing orgasm. These sounds stimulate him, while subliminal messages penetrate deep into his subconscious mind.

YOUR OWN SPECIFIC SUBLIMINAL MESSAGES

Because your custom tape/cd is made under your direction, you have the power to include specific messages about yourself, your relationship and **YOUR SEXUAL PREFERENCES**. Psychologists know **"SPECIFICS" MULTIPLY THE EFFECTS** of subliminal messages

SEXUAL DREAMS

An inevitable result of hearing subliminal material is dreams. Your Custom tape/cd plants the basis for sexual dreams of you and he in a multitude of sexual acts (plus your own ideas). he is programmed to remember his dreams. **REMEMBERING HIS SEXUAL DREAMS ABOUT YOU ORDAINS THE SEX AND THE RELATIONSHIP!**

SEXUAL TENSION

SEXUAL TENSION builds an erotic hunger in him that he must release through orgasm. Your Custom messages name you as the **ONLY WOMAN THAT CAN RELIEVE HIS SEXUAL TENSION**. It's important to understand the power of **SEXUAL TENSION**; It is the necessary condition to triggering an orgasm.

Men choose a lover **SUBCONSCIOUSLY** for all the reasons stated above. In his mind his lover becomes clever, beautiful, and the most Seductive Female. The Custom script makes that subconscious decision for him by planting a **PRE- ACCEPTED CONCLUSION** that you are the world's most desirable and Seductive Woman. It's also your chance to choose what he thinks because what he thinks is the business of Mephisto and of course it's custom made for you!

HOW YOUR CUSTOM IS MADE

The Custom script is designed to activate the natural **SEXUAL IMPULSES** of all men and by including **YOUR NAME** and **YOUR DIRECTIONS** focus his passion on you **AND ONLY YOU!** This new script combines the knowledge of seven sciences to create within him an irresistible force of sexual desire for you. Nature could not and does not tolerate long courtship. Reproduction is everything and nature intends for it to happen instantly! To achieve that result, humans (and all forms of life) evolved with built in programs (instincts) to quickly accomplish reproduction. Our Custom script is designed to take advantage of male instincts and to apply **ALL** the known sexual motivators. By portraying you as the **Seductive Female**, we push his first button, and by assuring him you will be faithful and not abandon him, we will push the second button. By messages that assure him that everyone approves of you and your relationship we push the third button. Because a man's voice records the Custom messages in the first person i.e.; "I love (YOUR name etc.)" the messages will emerge in his conscious mind as **HIS OWN IDEA TO LOVE AND DESIRE YOU;**

These **DYNAMICALLY MOTIVATING MESSAGES** push **ALL** of his buttons. Of course your own particular ideas and fantasies are added into the script, because it's **CUSTOM MADE FOR YOU!** A university study using sophisticated measurements proved that subliminal material positively activates physical changes in a man's genitals. Subliminal Products are capable of activating his autonomic system causing arousal and the intense stimulation of his penis. He is also told that **HIS SEXUAL EXCITEMENT** is caused by his love and desire for you! The Custom messages are mental foreplay, because he will also picture your hands erotically fondling his body and because **YOU HAVE INPUT**, you can choose any erotic images you wish to further arouse him!

INFIDELITY. Until a man is totally convinced he is mating with the **Seductive Female**, nature programs him to continue to seek, even to stray. This Custom script indelibly and unmistakably **MARKS YOU** as **THE ONLY Seductive Woman IN HIS LIFE!** Your new Custom leaves **NOTHING TO CHANCE** and combines every known sexual Motivator to spur him to **GIVE HIMSELF TO YOU IN EVERY WAY!**

OTHER CUSTOM FORMATS

In addition to a Custom tape/cd containing only your name, we make the **ONE SPECIAL MAN.** This tape/cd contains your name (**200 to 300 times**) linked with his name (**100 to 150 times**). The psychological impact of hearing his name linked romantically and sexually to you has an extraordinary power to affect him.

WHAT'S IN A NAME?

By the time you are an adult, you have heard your name a million times! Before you understood language your parents were programming you to react to your name. Even their experience of love always includes your name. As you grew up you were disciplined by your name at home and at school. During your formative years in which your personality and character were being formed, your directions to act were given with your name. You were prodded, persuaded, pampered, punished, pushed, provoked and always by your name. **A HABIT OF OBEDIENCE** in connection with your name is an invincible force that cannot be overestimated. By six years old everyone is set in a pattern of accepting directions and commands preceded by their name. This pattern is present in every adult and this explains why **THE ONE SPECIAL MAN** tape/cd has astonished so many women BY the **MAN'S PASSIONATE REACTION! THE "SLEDGE HAMMER"** is so unique it is different species. It is 90 minutes instead of 60 and 6 voices instead of 2. **THE PHONIC IMPACT** is the **SLEDGE HAMMER** format: **SIX VOICES PLUS A SEVENTH VOICE, YOURS!**

MUST YOU COMPETE? ABSOLUTELY, ITS A LAW OF NATURE!

You compete for everything in life and most of all sex. When a man chooses a woman for sex, he has subconsciously satisfied himself that he has competed for her and won her! Even male snakes fight for female snakes and guess what; female snakes will **ONLY MATE WITH THE WINNER! IT'S A LAW OF NATURE AND MEPHISTO APPLIES THIS MECHANISM TO MAKE YOU THE WINNER BY IMPLANTING THE IDEA THAT YOU HAVE BEAT OUT ALL OTHER WOMEN** [FIDELITY demands that he believes you are **THE Seductive Female!**

HOW TO ORDER YOUR CUSTOM

**YES! THERE IS SOMETHING NEW
UNDER THE SUN! WE CALL IT:
"THE PHONIC IMPACT"**

**A "FAMILIAR VOICE" TRIGGERS DEEP
EMOTIONAL RESPONSES! THE PHONIC IMPACT
USES THE SAME FORMAT AS THE
"SLEDGEHAMMER", BUT INSTEAD OF SIX
VOICES, THERE ARE SEVEN AND THE SEVENTH
VOICE IS YOURS!**

For the first time you have the ability to subliminally implant your "own voice" deep into the subconscious mind of someone you wish to influence! **"THE PHONIC IMPACT" ALLOW YOU TO SPEAK IN YOUR OWN VOICE!** You can express yourself freely in your own words, dialect and accent. Their subconscious will understand your true feeling and heartfelt emotions. It is a proven fact that the subconscious mind not only absorbs words and ideas, but it is most moved by the true emotion behind those words and ideas.

To hear **"YOUR VOICE"** subliminally expressing love and desire achieves an irresistible power to **INFLUENCE** "another"! "Your voices" combined with Mephisto's "Sledgehammer" format has been called the most invincible form of persuasion ever conceived!! Literally a **REVOLUTIONARY DEVELOPMENT!**

During the past seventy years of research into the potency of subliminal motivation, scientists have observed that the strongest reaction occurs with the use of words or ideas that provoke intense emotions. "Your Voice" and "your ideas" going directly into their subconscious sparks an explosive emotional impact; it is **"TOTAL"**.

PHONIC IMPACT:

"YOUR VOICE PLUS THE PEER PRESSURE OF THE SLEDGE HAMMER!"

Your six minute voice recording is embedded subliminally several times and each time it is followed by the voices of six others, who tell the listener that it is **"THEIR IDEA AND THEIR DESIRE"** to act out what they hear in your message. Psychologists agree: The strongest influence on behavior is **PEER PRESSURE!** It was this knowledge that led to the most powerful subliminal tape ever invented: **SLEDGEHAMMER - PHONIC IMPACT!**

THE SLEDGE HAMMER - PHONIC IMPACT

has six voices that represent the approval of society (Peer Pressure). In effect, it tells the person that they not only have permission to follow the suggestions in your message, but that society thinks "it is the right thing to do" and that puts the **ULTIMATE TOOL OF PERSUASION** in your hand!

You may record your personal message directly into our recorder over the phone or enclose a six minute recorded tape of your voice containing your personal message along with separate instructions for our six voice "Peer Pressure" "Sledge Hammer" script. (Call 1 708 932-0722).

The dynamic force of this concept places it outside the realm of mere subliminal cassettes and opens up possibility for personal change never before remotely approached. One idea driven home until you acquire the attribute you desire or eliminate the habit that damns your life.

Caution:

Be absolutely certain that you want what you request. Remember Oscar Wilde's warning. "The only thing worse than not getting what you want, is getting what you want."

THE BUSINESS SERIES

C.A.M.

(Custom Audio Motivation)

It is often observed that a new concept takes about 50 years to gain general acceptance. It is now seventy years since **Dr. O.K. Poetzel**; an associate of **Sigmund Freud** demonstrated that subliminal stimuli would influence behavior. In addition, despite the extensive use of subliminal content in national printed advertising, the other uses have been mainly in the area of self-improvement.

Victor Hugo observed: "Nothing is so powerful as an idea whose time has come." In the very near future you will have an advantage over your less venturesome competitors, or be on a par with your progressive and sharp rivals, or be left behind, as the technology of the twenty-first century goes into place now!

The performance of any business is totally dependent on the caliber and the motivation of it's people. The devastating advantage the Japanese enjoy is universally attributed to the motivation and team spirit their workers display. Where as in America, workers and management face each other in an adversarial posture that is nearly traditional. Both sides are at fault. Management's arsenal is coercion and threats, while workers parry with minimal effort, cozy and secure in their knowledge that a replacement will be no better and require the additional cost of training.

Any sense of workers cooperating in enthusiastic participation or displaying interest in more efficient production is a bizarre nothing. So entrenched is the twisted adversarial attitude, that nothing short of brain transplant could seem to address this plague. Subliminal motivation, however, is known to be able to alter attitudes and values. The benefits to workers and management of full, "enthusiastic participation" would be dramatic as the ascendancy of the Japanese has demonstrated.

Employees should be assured (and can be subliminally) that their views and input are important to management. To persuade workers to "think about their job" is a quantum leap compared to the usual nonchalant disregard that exist just below the surface of their minimum efforts. Boredom dissipates energy and the C.A.M. program provokes mental and physical stimulation along with the subliminal message that they are energetic and eager to do a perfect job. Gradually, with repetition, the idea of doing a perfect job becomes their own idea. As morale builds, absenteeism decline aided and abetted by the subliminal idea that their true happiness is to be present and proficient on the job.

PRODUCTION

Turnover and training of new employees is costly and a constant source of consternation to middle management and makes an orderly operation a bird on the wind instead of a bird in the hand. A report given before the American Society of Clinical Hypnosis showed the result of a test conducted at one store where subliminal messages motivated employees to be content and productive. This test demonstrated the amazing power of subliminal stimuli to have cut turnover by nearly fifty percent while the other stores in this chain suffered the same turnover as before. This was achieved with rather simple phrases such as: "I am a team player". The **C.A.M.** subliminal messages are complex motivational stimuli implanted in the subconscious mind. The messages involve raising employee self esteem, morale, satisfaction and contentment, respect for the company and management, pride in productivity, a sense of well being in the job environment, an urge to be careful, a desire to report to work every day and the impulse to show an altruistic attitude to customers.

SALES

The **C.A.M.** system creates a total environment to enhance buying. The subliminal suggestions carried under the proper music would induce in the shopper a sense of well being (identified with your store) which would foster an inclination to indulge in impulse buying, that the time and place was ripe for a big item purchase that may have been simmering on a back burner and focus that urge to surface in a conscious decision now. The total impression implanted would be that of being in a hospitable environment that was pleasant, free of stress, reassuring, conducive to buying, and one in which they will want to return. Suggestions would be frequently broadcast that the prices are the lowest and the quality of the merchandise the highest.

CHECK OUT?

The ubiquitous annoyances at the delays in "checking out" would be alleviated in two ways: by motivating the cashiers to greater speed (while maintaining greater accuracy) and by the two fold manipulation (consciously and subconsciously) of creating a relaxing mood.

SCRIPT CHANGES

As the tape could be changed periodically to address a particular need: a sales promotion, or any special project could be accommodated and successfully measured.

DESIGN YOUR EMPLOYEES

Subliminal messages, like a sculptor's chisel, can fashion a perfect worker. One whose attitude is cooperation instead of obstruction. Many workers harbor grievances that cause them to sabotage policy even if on an unconscious level. It is difficult to convince a worker on a conscious level that you have good intentions toward him, because the pervasive cynicism that seems to infect the American worker. The Japanese certainly understand the connection between a benign management and a dedicated worker, just as they recognize that daily calisthenics encourages cooperation and teamwork here is an opportunity to design the response you want.

ABOUT YOUR GOALS, BECAUSE IT'S CUSTOM MADE FOR YOU**

SHOPLIFTING - EMPLOYEE HONESTY

The significance of a few subliminal tests conducted in some retail outlets using the existing public speakers to broadcast subliminal messages to curtail shoplifting and employee theft has proven to be dramatically effective and to carry profound implications for a new direction in crime prevention on the retail level. This potent deterrent is but the first leg in this program.

Security is obviously minimally effective for a score of insurmountable reasons; it is legally cumbersome and expensive and presents little deterrent to the amateurs (80 to 90%) and none to the professional shoplifter. Any method that could reduce shoplifting and employee theft without the costly and elaborate systems of security would contribute handsomely to net profits; more especially if this could be achieved cheaply: say at half the cost of the average salary and benefits of one security guard!

The "eat popcorn", "drink cola" subliminal projection in a movie theater proved subliminal stimuli could influence behavior by provoking a measurable increase in the sale of those two items. Studies at the University of Michigan show that brain wave measurements respond differently to subliminal messages.

This program subliminally implants the fear of discovery, jail and family disgrace in every listener. Measurements in some retail stores carrying very simple messages (**I am honest. If I steal, I will go to jail**) reduced theft losses by as much as 67%. And these were simple experiments not the complex psychological manipulation that is part of this program.

The urge to steal is deflected to an urge to buy. The potential loss is avoided and in a significant percentage becomes a sale. That accomplishment alone would enhance profits and make this program pay for itself many times over. But crime prevention is merely the tip of the iceberg in this program.

AROMACOLOGY

HOW IT AFFECTS

THE SEXUAL RECEPTIVITY OF THE HUMAN MALE.

Just over a century ago Charles Darwin introduced a theory called evolution that shocked the world. People were outraged to learn that we humans, while a different species, were closely related to animals. In fact, we now know through the science of **DNA** that genetically: humans are nearly identical to apes, there being a mere one percent difference that separates us.

It may be distasteful to watch animals sniff each other, but we know that we humans are affected in the same way by scents given off by each other. In fact, we have an **AURA** of natural aromas that sexually stimulate the opposite sex, **UNLESS WE WASH AWAY THESE PHEROMONES!**

The discovery that our animal ancestry still functions in us has sparked a massive investigation of how humans react to aromas, and all the natural scents that occur in nature. This discovery has prompted commercial use.

It was found that a certain scent diffused in a gambling casino created an increase of 20% in the amount gambled. Other studies have demonstrated that scents can be successfully used to diet. Soon stores will release scents to boost sales. But nature's most urgent concern is **REPRODUCTION.**

All living things have built in programs (DNA hard wired) that promote reproduction. The most potent physical stimulus to activate sexual reproduction is **AROMA. Female animals give off a scent that provokes all males (that includes humans) of the same species to become sexually aroused and to eagerly seek sex from the female upon whom they detect the scent.**

This scent is called the **FEMALE SEX PHEROMONE**. Chemically this hormone is amazingly similar amongst all species. It is so potent a sexual stimulant that male boars smelling it on female boars immediately put themselves in a mating posture in preparation to mount the female!

Nature never intended human males to seek long courtship, because long courtship did not foster the survival of the species.

Civilization interferes in several ways to short circuit the built in trigger to human male sexual arousal, and aroma is one of our strongest sensual senses. Our sense of smell is so powerful that it can detect pheromones at **one part per million**, but unbelievably a male moth can detect a female moth's pheromones from as far as five miles away, which is :

1 part per 1,000,000,000,000.

THE VNO ORGAN

A "Sixth Sense" Has Been Discovered In Humans: An Organ In The Nose That Has Only One Purpose: The Detection Of Odorless Sex Pheromones.

A neurophysiologist has devised an electrical instrument to measure the response of the VNO organ to various substances.

When neutral substances were introduced into the nose of the subject, no reaction took place, but when a pheromone was released into the nose, the needle tracing the effect on a graph nearly rose off the paper. Since pheromones are odorless, this demonstrates sexual scents affect human behavior on a subconscious level.

The above research was conducted by various Universities and research lab's as herein listed:

The University of Southern California' Society of Cosmetic Scientists;

The Scientific Journal, "Hormones and Behavior," Dr. McClintock of the University of Chicago research conducted by Monti-Bloch M.D. and scientist L. Stensaas;

Brown University; Occidental College;

The College of William and Mary; and

The University of Pennsylvania.

The instant reaction to the presence of the female sex pheromones is nature's design to induce the male to mate. This reaction exists in all males, it is irresistible, and it is automatic.

Within seconds of being exposed to Mephisto's sex pheromone products, a man's brain is stimulated to sexual arousal preparing his body for intercourse. Mephisto would like to inform you that we have doubled the strength of our pheromone products, making them the most concentrated products available on the market.

Our new sex pheromone products have been independently lab tested and found to contain 4 times the potency of other similar products. Unlike other products that use generic scents, Mephisto uses only well known original scents.

THE PRIMAL CONCENTRATE (THE STRONGEST "SINGLE" PHEROMONE FORMULA)

Mephisto invented the **PRIMAL CONCENTRATE** to give you the power to beat out other women and as lab tests prove our Primal is 80 times stronger than our regular perfume. This means at this time you will not meet a rival who has a stronger scent! Another unique quality of the Primal is research shows women avoid anything with a strong scent of female sex pheromone, because subconsciously they regard it as a marked territory belonging to another female. By putting it on your mate's clothes or in his cologne, you have created a **male chastity belt**; a subconscious signal that: **THIS MAN IS TAKEN; HANDS OFF!** It is the only male chastity belt!! This formula contains female sex pheromones only.

☐ Primal Concentrate (Unscented) Priority Mail included! \$90.00

☐ Primal Concentrate (Scented) Priority Mail included! \$90.00

☐ The Ultra Primal contains high concentration of both male and female pheromones designed to stimulate both partners to a level of insatiable frenzy. **Pricing as above, same as the regular primal.**

INSTRUCTIONS

1) **THE Seductive Female Perfume** is applied in the usual manner and should be concentrated on the upper portion of your body that would be nearest to his nose.

2) **THE PRIMAL CONCENTRATE** is designed to give you the opportunity to customize its use. It is the most extraordinary concentration of female sex pheromones ever made available to the public. Each bottle equals the power of 80 bottles of our regular perfume. You can use it in your own favorite perfume, or simply dab a few drops on your body where it will linger potently until you wash it off. In this manner it becomes the most intense sexual stimulant ever devised, **FAR EXCEEDING** the natural amount excreted by ANY WOMAN. You can also use it to place a zone of permanent arousal, i.e., on your mates pillow, or mattress or negligee etc. **(AVAILABLE IN AN ODORLESS FORM OR A SCENTED FORM)**

Because, as mentioned above, research has shown that the scent of female sex pheromones repels females, you can use it as an **AROMA MALE CHASTITY BELT!** By putting a few drops in your mate's cologne, or dabbing it on his clothes, he will **AROMATICALLY REPEL WOMEN** who will disregard him as a sexual object believing on a subconscious level that he is not available and belongs to another woman, and that woman is **YOU!**
